Section 3: EX-99.2 (EX-99.2)

Exhibit 99.2

UNAUDITED *PRO FORMA* CONDENSED COMBINED FINANCIAL INFORMATION

On March 29, 2019, Ready Capital Corporation, a Maryland corporation (the “Company” or “Ready Capital”) and ReadyCap Merger Sub, LLC, a Delaware limited liability company and a wholly owned subsidiary of Ready Capital (“Merger Sub”), consummated the transactions contemplated by the Agreement and Plan of Merger (the “Merger Agreement”), dated as of November 7, 2018, with Owens Realty Mortgage, Inc., a Maryland corporation (“ORM”) pursuant to which ORM merged with and into Merger Sub, with Merger Sub continuing as the surviving company (the “Merger”).

Upon completion of the Merger and under the terms of the Merger Agreement, each outstanding share of common stock, par value \$0.01 per share, of ORM (“ORM Common Stock”) (other than shares held by Ready Capital or Merger Sub or by any wholly owned subsidiary of Ready Capital, Merger Sub or ORM, which were automatically cancelled and retired and ceased to exist) was converted into the right to receive from Ready Capital 1.441 newly issued shares of common stock, par value \$0.0001 per share, of Ready Capital (the “Ready Capital Common Stock”). No fractional shares of Ready Capital Common Stock were issued in the Merger, and the value of any fractional interests to which a former holder of ORM Common Stock is otherwise entitled was paid in cash.

The unaudited *pro forma* condensed combined balance sheet gives effect to the Merger based on the historical balance sheets of Ready Capital and ORM as of December 31, 2018. The Ready Capital and ORM balance sheet information was derived from their audited balance sheets at December 31, 2018 that were included in their Annual Reports on Form 10-K for the year then ended, which were each filed with the SEC on March 13, 2019 and March 15, 2019, respectively.

The unaudited *pro forma* condensed combined statements of income is presented for the year ended December 31, 2018 based on the most recently completed fiscal year of Ready Capital and ORM. The historical results of Ready Capital were derived from its audited consolidated statement of income for the year ended December 31, 2018 that was included in its Annual Report on Form 10-K for the year then ended, filed on

March 13, 2019. The historical results of ORM were derived from its audited consolidated statement of income for the year ended December 31, 2018 that was included in its Annual Report on Form 10-K for the year then ended, filed on March 15, 2019.

The adjustments for the unaudited *pro forma* condensed combined balance sheet as of December 31, 2018 assume the Merger was completed on that date. The adjustments for the unaudited *pro forma* condensed combined statements of income for the year ended December 31, 2018 were prepared assuming the Merger was completed on January 1, 2018. The *pro forma* adjustments are included only to the extent they are (i) directly attributable to the Merger, (ii) factually supportable and (iii) with respect to the unaudited *pro forma* condensed combined statements of income, expected to have a continuing impact on the combined results. The unaudited *pro forma* condensed combined financial information do not reflect the costs of any integration activities.

The following unaudited *pro forma* condensed combined financial information have been prepared for illustrative purposes only and have been adjusted to reflect certain reclassifications in order to conform to Ready Capital's financial statement presentation. The unaudited *pro forma* condensed combined financial information were prepared using the acquisition method of accounting for business combinations pursuant to ASC 805, Business Combinations, with Ready Capital considered the acquirer for accounting purposes. The statements are not necessarily indicative of the consolidated financial position or results of operations in future periods or the results that actually would have been realized had Ready Capital and ORM been combined during the specified periods. The following unaudited *pro forma* condensed combined financial information, including the notes thereto, are qualified in their entirety by reference to, and should be read in conjunction with, the historical financial statements referred to above and other information relating to Ready Capital and ORM contained in their respective Annual Reports on Form 10-K for the year ended December 31, 2018 and any subsequent Quarterly Reports on Form 10-Q.

The estimated fair values for the assets acquired and liabilities assumed are preliminary and are subject to change during the measurement period as additional information related to the inputs and assumptions used in determining the fair value of the assets and liabilities becomes available and may result in variances to the amounts presented in the unaudited *pro forma* condensed combined statements of income.

NOTES TO UNAUDITED *PRO FORMA* CONDENSED COMBINED FINANCIAL INFORMATION

(A) *Basis of Presentation*

Under the terms of the Merger Agreement, in connection with the Merger, each outstanding share of ORM Common Stock was converted into the right to receive a number of shares of Ready Capital Common Stock determined by dividing Ready Capital's adjusted book value per share by the ORM adjusted book value per share each as calculated at a time and pursuant to certain calculation principles set forth in the Merger Agreement ("Exchange Ratio").

On March 29, 2019, the Company completed the acquisition of ORM, through a merger of ORM with and into a wholly owned subsidiary of the Company, in exchange for approximately 12.2 million shares of the Company's common stock. In accordance with the Merger Agreement, the number of shares of the Company's common stock issued was based on an exchange ratio of 1.441 per share. The total purchase price for the merger of \$179.3 million consisted exclusively of the Company's common stock issued in exchange for shares of ORM common stock and cash paid in lieu of fractional shares of the Company's common stock, and was based on the \$14.67 closing price of the Company's common stock on March 29, 2019. Upon the closing of the transaction, the Company's historical stockholders owned approximately 72% of the combined company's stock, while historical ORM stockholders owned approximately 28% of the combined company's stock.

Calculation of Preliminary Estimated Total Consideration Transferred

(in thousands, except share and per share data)

- C1) Adjustment relates to the recognition and payment of estimated one-time merger obligations and estimated total costs of \$10.0 million including:
- a) transactions costs related to the Merger of \$5.5 million paid by Ready Capital, the accounting acquirer, allocated \$5.3 million to common stockholders and \$0.2 million to Non-controlling interests;

- C7) Adjustment relates to the bargain purchase gain of \$30.7 million, allocated \$30.0 million to common stockholders and \$0.7 million to Non-controlling interests.
- C8) Adjustment relates to the recognition of additional accretion of discount due to certain origination fees paid to the ORM Manager that would be retained by the Combined Company and amortized over the life of the loan.
- C9) Adjustment relates to additional income for fees paid to the ORM Manager under the terms of the ORM Management Agreement that would be retained by the Combined Company under the Ready Capital Management Agreement.
- C10) Adjustment relates to the impact (a reduction) of the management fees under Ready Capital Management Agreement and removal of ORM historical advisory fees.

Ready Capital believes, with the exception of the adjustment to the Real Estate Owned and Investment in unconsolidated joint venture balances indicated in C6, all ORM balance sheet accounts approximate fair value. There is no tax impact relating to income items, as they are included in non taxable entities.
